How many times do you get the chance to get out of the firing line?

Employment Type
Full-time

Away from the frontline and into the relatively safe space of the board room.

It's a thought that comes to everyone who's been successful in a growth focussed role for a while.

Industry
Global Travel and Meetings company

Of course sales is in your blood. Always has been and always will be, but there comes a point when it's time to start passing along some of that hard-fought knowledge and expertise.

Job Location
UK/remote, England

Time to start leading from the front instead of following someone else's plan.

Time to put your hand up and say, "hey, I want to be the boss for a change".

Base Salary
£ £80,000 - £ £90,000 + £50k bonus

Well, now is that time.

This company is flying. £100m T/O, 120+ people, clients all over the world, but they need someone to take ownership of the entire sales and marketing function.

Valid through
31.03.2025

That's 13 people and a whole lot of targets.

They need your nous, your experience, your track record of success and your background of leading high performing sales teams as they enter their next 3-year cycle of growth.

But this time, with you at the helm.

You'll create, implement and drive the sales and marketing strategy, shape the target demographic, develop your people into superstars, and all whilst sitting on the board helping steer the business towards new adventures.

Pretty neat eh?

This role is tailor-made for someone looking to strike out on their own and make a

name for themselves, if that sounds like a piece of you, drop me a message and let's have a confidential chat.

Who knows where it will take you.
