Why?

As these opportunities don't come along often and when they do, they are like gold dust, so you need to breathe it in and enjoy.

This company has a reputation of being one of the best in the business. What they need now is new blood, fresh ideas and a rocket powered leader to take them to the next level.

The people working there are loyal, their client portfolio is locked in on the type of contracts you can only dream of, and their service proposition is tighter than a duck's bottom.

What they need is more presence, more exposure, new markets and new leadership, plus new and improved ways of working to take them into the stratosphere.

This company turns over £14m has 35 headcount and cards on the table, they need someone who relishes the challenge of smashing that £20m barrier as they are all set up and ready to launch.

You'll have a handover programme in place to allow you to settle in, plus have the support of the SLT who are championing at the bit to meet you and be part of your plans.

If you want to relocate, they'll help you. If you want to bring in your own people, they'll welcome them with open arms, and if you want to finally unleash all that fire you have in your belly, drop me a message and let's have a confidential chat.

Who knows where it will take you.
