Senior Account Director – £70-£80k +£35k bonus – Live Event agency – B2B internal comms specialists – London/WFH

Description

If you're looking for a role where you can genuinely own something, this is it.

No one breathing down your neck. No endless sign-offs. Just the freedom to make decisions, drive growth and build partnerships that matter.

They're a £16m agency with 38 sharp operators who believe in quality over quantity. No fluff, no faff, just clever work that makes an impact. And now, they want a Senior Account Director who can take a solid £1m portfolio and scale it to £3m.

They've got a rock-solid reputation in financial and professional services delivering conferences, leadership meetings and internal comms campaigns that actually change how businesses think, not just how they look on a slide.

You'll be trusted to build relationships your way.

You'll own the client strategy and growth plan.

You'll reignite dormant relationships and open new doors.

You'll bring structure where it's needed and direction where it's lacking.

And you'll do it with confidence, credibility, and a people-first mindset.

This is your chance to lead, not just manage and to work in an environment that values smart thinking, grown-up conversations, and results delivered with integrity.

❓❓ If you've ever said, "I just want to be left to get on with it and deliver," this is that role.

❓❓ If you've ever wanted your work to be seen, valued and rewarded, this is that role.

❓❓ And if you're ready to step into a senior position where your impact is obvious, this is definitely that role.
